

2019 Atlas Buyer's Guide

When you're this big, they call you Atlas.

Execline trim in Fortana Red Metallic

Atlas top features

Adjustable cargo space

Loads of cargo? Fold down the third-row seats for more space. Not enough? Fold down the second-row seats for even more.

Available 4MOTION® All-Wheel Drive

As Canadians, we know our weather conditions can change in an instant. 4MOTION® All-Wheel Drive redirects engine power to the wheels that need it most, helping keep you in total control.

Third-row seating

Kids in the back is a thing of the past with adult-sized third-row seating. Getting in is a snap – just slide and tilt the second-row seats forward in one simple step.

Available Digital Cockpit*

The Digital Cockpit is an intuitive, customizable 12.3" digital display that lets you tailor your display to your distinct driving needs. You can even view your route with navigation built right in.

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

LED headlights

LED headlights are brighter, bolder and more energy efficient, and they never need to be replaced. Best of all, they come standard on the 2019 Atlas.

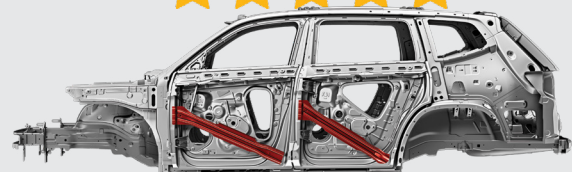

Execline trim in Pacific Blue Metallic with available Alloy Wheel Package

Beauty meets beast

The All-New 2019 Atlas is the perfect combination of size and style. There's room for 7, including adult-sized third-row seating, plus a whopping 2,741 litres of maximum available cargo space. Choose between the turbocharged 2.0L 4-cylinder engine and the legendary 3.6L VR6 engine – both are more than capable of handling any adventures you and your family throw at the Atlas.

Your family deserves five stars

The 2019 Atlas has been given a five-star overall safety rating from the NHTSA (National Highway Traffic Safety Administration), racking up an impressive score!

Upgrade your ride

Here comes the fun part. Customize your 2019 Atlas inside and out, and truly make it your own. Pick the paint, upholstery and wheels that will make your Atlas feel like a home outside the home.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and approved testing methods and are provided for comparison purposes only. Please refer to NRCAN's Fuel Consumption Guide for more information. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
