➤ **WE'LL OBSESS OVER THE DETAILS. YOU ENJOY THE RIDE.**

At Mitsubishi, we're always chasing perfection. In fact, the Japanese word **Kodawari**, roughly translating to "in pursuit of perfection," has been the guiding principle behind everything we engineer, design and innovate. The Kodawari discipline revolves around three key pillars: passion, persistence and precision. To harness the Kodawari mindset and manifest our ideals, we apply these pillars to each and every vehicle we create.

Why do we obsess over the smallest details and adhere to the highest standards? Our motivation comes from a single driving force: you. The people who drive our vehicles. Those who appreciate uncompromising craftsmanship, attention to detail and a pioneering spirit. The ones who don't mind being a bit unconventional, if it means breaking the mold. Some call it idealistic, but for us, it's simply Kodawari.

> **KODAWARI**

**PASSION IS A FIRE FROM WITHIN, AN INNER
CONVICTION THAT SOMETHING IS WORTHWHILE.
AND WE CHANNEL EVERY OUNCE OF PASSION
INTO EVEN THE SMALLEST FEATURE IN THE NEW
ECLIPSE CROSS.**

THE 2022 ECLIPSE CROSS

> THE ROAD WHERE IT HAPPENS

Blending style with substance, the new 2022 Eclipse Cross is an elevated expression of our Kodawari ambitions. Boasting longer, lithier proportions and distinctive sporty SUV styling, an intuitive high-tech interior and the reliable handling of our Super All-Wheel Control¹ system, the Eclipse Cross gives you the confidence to go all the way to the top – and beyond.

The 2022 Mitsubishi Eclipse Cross perfectly embodies our unending pursuit of perfection.

> 01 READY FOR ANYTHING

No matter the road, Eclipse Cross is ready. The innovative **Super All-Wheel Control**¹ system integrates 4WD, Active Stability Control, Anti-Lock Braking and Active Yaw Control into one package. With increased stability and predictive handling, the system helps you maintain traction in almost any weather condition. Adding to that combination of power and pace is the 1.5L direct-injection turbo engine, which gives you effortless acceleration without sacrificing fuel economy. It all comes together to create easy maneuvering that makes the whole experience seamless, so you never lose that fun-to-drive feeling.

> **PEAK PRECISION**

**EXPLORE
PERFORMANCE**

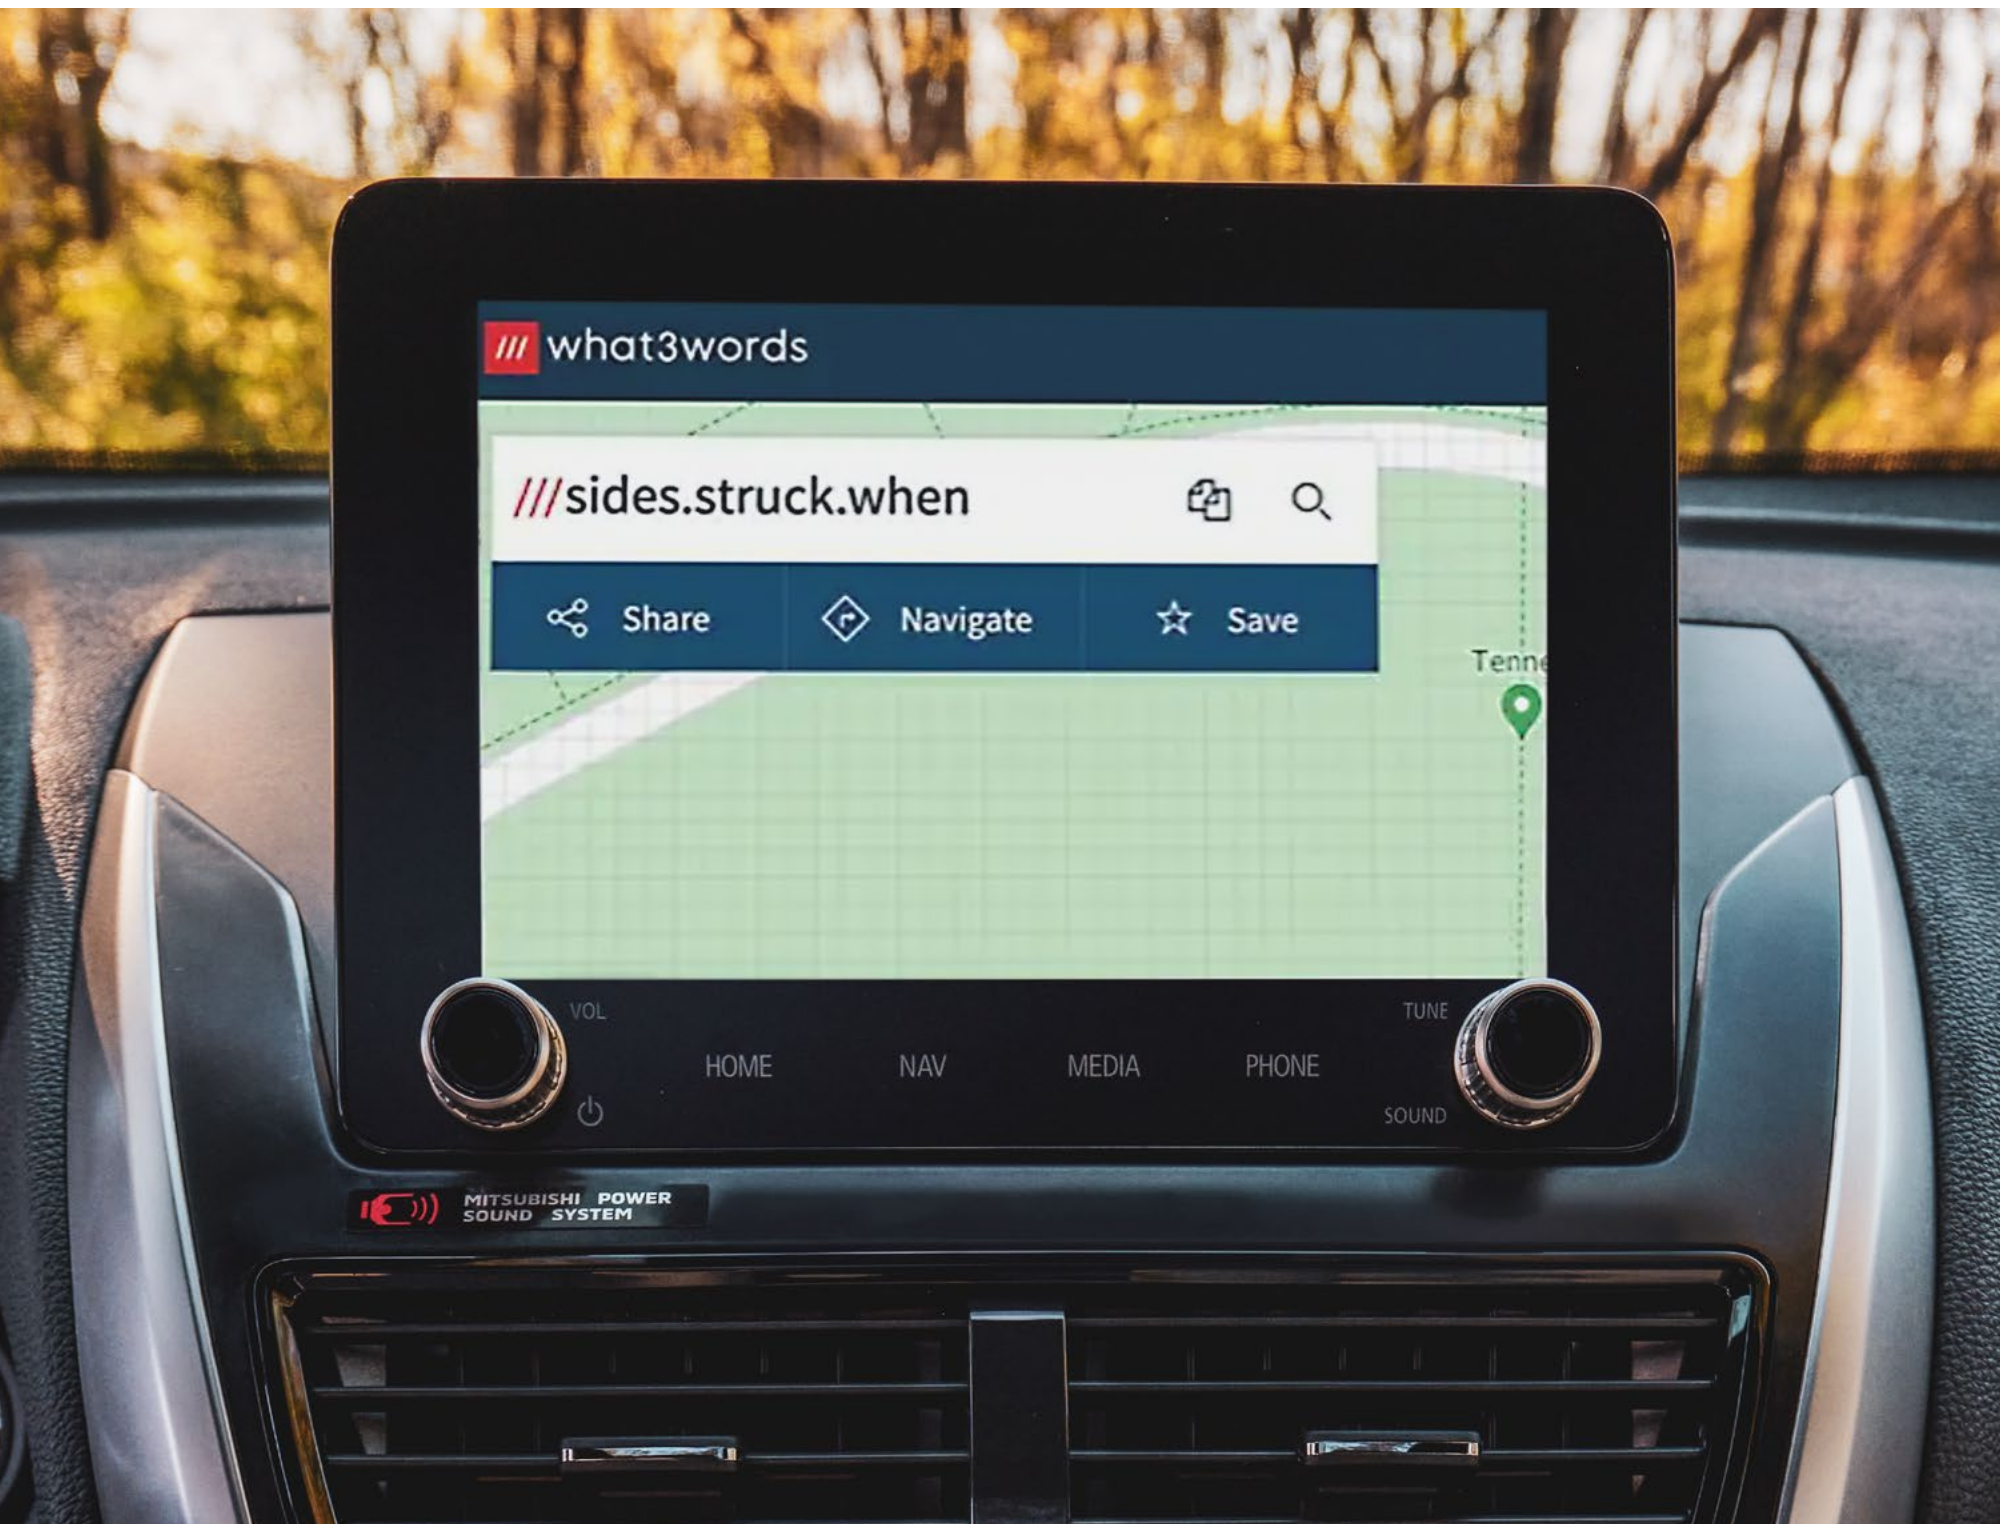

The specifications of the front and rear suspension on the Eclipse Cross have been optimized to deliver more agility and stability. A rigid connection, sized-up rear absorber and fine-tuned rebound spring allow the vehicle to respond to road conditions in real-time, offering exceptional handling and a dramatically smoother ride overall.

> 02 SO ADVANCED, IT'S ALMOST HUMAN

When connectivity services are this seamless and intuitive, you'll never miss a moment. The 2022 Mitsubishi Eclipse Cross comes equipped with **Apple CarPlay**^{®2} and **Android Auto**^{™3} to provide effortless smartphone integration. Enjoy even more personal comfort with a customizable display, power seating, and the accompaniment of the **Mitsubishi Power Sound System** (MPSS).

As comfort and convenience features blend and overlap, your ride isn't just connected, it's friendly, and it's an extension of you.

> NOT JUST A PRETTY INTERFACE

We believe even the tiniest details have a big impact. Not only did the **8" Smartphone Link Display Audio** system get upgraded to a larger screen, but we've also moved it closer to the driver, putting your playlists, contacts and apps within reach. Plus, with available **Embedded Navigation** to guide the way, the only thing left for you to do is decide where you want to go next.

As the first-ever vehicle to include embedded **what3words** location technology offline, the Eclipse Cross lets you explore without limits—or data. Dividing the world into 10 ft squares, what3words makes it easy to identify precise locations and navigate hard-to-find places like building entrances, parking spots and hiking trails⁴.

> NEVER LOSE FOCUS

The 2022 Eclipse Cross puts helpful driving data right in front of your eyes, thanks to the full-color **Head-Up Display**. It lets you keep your eyes locked on the road while you check information like speed and cruise control settings. With adjustable brightness and height settings, it's easy to stay aware of important details and see alerts at a glance⁴.

> OH-SO CONNECTED

EXPLORE TECHNOLOGY

A **Mitsubishi Connect**^{TM5} subscription gives you an even more seamlessly integrated driving experience. Download the app to your smartphone for on-the-go convenience or send remote commands using **Amazon Alexa**^{®6} and **Google Home**^{TM3}. Whether you want to start the engine remotely, pre-set the cabin temperature, schedule services online or control your garage door with **myQ**^{®7}, this innovative platform of services acts like a personal assistant for your car.

> 03 SAFETY THAT GOES THE DISTANCE

Featuring our latest safety technologies as standard, the 2022 Eclipse Cross gives you more confidence and peace of mind. Our **Forward Collision Mitigation (FCM)** system with **Pedestrian Detection⁸** monitors your vehicle's path and sends audible and visual alerts when it senses something. If you don't respond, it automatically brakes for you to avoid or reduce the impact of a potential collision.

Available **Automatic High Beams** detect vehicles ahead, switching between high and low headlights to reduce glare for other drivers. The **Lane Departure Warning⁹** system continually tracks your vehicle's position within the lane, issuing audible and visual alerts if you start to drift. Together, these watchful features add up to a safer, more secure drive. Because who doesn't like a little extra reassurance?

> **MOVE WITH CONFIDENCE**

**EXPLORE
SAFETY**

Designed to detect and alert you to vehicles in or approaching your blind spot, the **Blind Spot Warning** and **Lane Change Assist** systems¹⁰ give you added confidence in the 2022 Eclipse Cross. When the system picks up on a vehicle in the area, a warning light illuminates in the side mirror to notify you. If your turn signal is on, the light flashes and the system starts beeping to indicate it's unsafe to change lanes.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> **KODAWARI**

**PERSISTENCE IS AN ABILITY TO KEEP GOING.
THE DEDICATION AND COMMITMENT THAT DOESN'T
BACK DOWN FROM A CHALLENGE. WITH THE 2022
ECLIPSE CROSS, WE'VE PUSHED THE LIMITS OF
WHAT OTHERS THOUGHT POSSIBLE.**

> 04 EVOLVING AROUND YOU

Great style is about choices. The elements we choose for our vehicles are no different. With proudly unconventional looks, the 2022 Eclipse Cross wears that sense of style confidently. From the sculptural lines to its sleek athleticism, the exterior has been refined to offer a new air of sophistication. The bold nose, wide stance and extended length take the daring redesign even further. Combine that distinctive style with extra cargo space and easy-going versatility, and it's easy to see why the Eclipse Cross is one-of-a-kind. Just like you.

> IN A NEW LIGHT

The striking design of the new Dynamic Shield is accentuated further by distinctive LED DRLs, headlights, and fog lights. Their imposing angles reflect a geometric shape that is sharp, strong and modern.

> 05 WHERE INNER BEAUTY MEETS INNER PEACE

Style and substance should walk hand in hand. Before we make any decisions, we put careful consideration into what makes a great cabin. The 2022 Eclipse Cross has an inviting, premium interior full of upgraded details and thoughtful storage solutions. A high-contrast color scheme brings energy to your surroundings, while the customizable cargo space lets you change things up on a whim.

> **ABOVE AND BEYOND**

The wide-open views in the 2022 Eclipse Cross will leave you bright-eyed. An available power panoramic sunroof spans across the vehicle, reaching all the way to the back and filling your journey with more sun, sky and air.

> **KODAWARI**

**PRECISION IS ABOUT MORE THAN SHARP LINES
AND EXACTING STANDARDS. IT'S A HABIT OF
CARE, A PRACTICE OF METICULOUS ATTENTION
TO DETAIL. WHERE OTHERS SEE RIGOUR, WE SEE
THE POTENTIAL FOR BETTER.**

GENERAL DISCLAIMER: Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

1. Available feature. Super All-Wheel Control (S-AWC) adds Active Yaw Control (AYC) to realize the AWC concept at a very high level. While this Intergrated Vehicle Dynamics Control System manages the driving forces and braking forces of the four wheels to help realize vehicle behavior that is faithful to the operation by the driver under a variety of driving conditions, it is not a substitute for careful driving. S-AWC cannot prevent collisions or loss of traction in all conditions. Exercise caution so your full attention is given to vehicle operation in all road conditions. **2.** Apple CarPlay: Available feature. Apple CarPlay®, Siri®, and Apple Music® are trademarks of Apple Inc., registered in the U.S. and other countries. iPhone is a registered trademark of Apple Inc. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **3.** Available feature. Android™, Android Auto™, Google™, Google Play™, Google Maps™, Google Assistant™, Google Home™ and other marks are trademarks of Google LLC. Distracted driving is dangerous. Restrict use connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. Restrict use of connected devices to safe times and always caution so your full attention is given to vehicle operation. **4.** Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **5.** Available in SE and SEL models. Included for two years as a new Mitsubishi owner of a MITSUBISHI CONNECT-capable vehicle. After the two-year trial, standard yearly subscription costs apply. **6.** Amazon and Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. **7.** Available feature. The Chamberlain Group, Inc. owns myQ® word mark and logos, and any use of such marks by Mitsubishi is under license. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **8.** The Forward Collision Mitigation (FCM)/ Pedestrian Detection (PD) system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly. **9.** The Lane Departure Warning system is designed to read the lane marks under certain conditions. It is not a collision avoidance system and is not a substitute for safe and careful driving. **10.** The Blind Spot Warning, Lane Change Assist, and Rear Cross Traffic Alert systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not detect other vehicles correctly. Availability of advanced safety features varies by model, see dealer for details. **11.** 2021 EPA Fuel Economy Estimates 26 City/29 Highway for Eclipse Cross ES, 25 City/28 Highway for Eclipse Cross LE, SE, SEL 2WD, 25 City/28 Highway for Eclipse Cross ES S-AWC, 25 City/28 Highway for Eclipse Cross LE, SE, SEL S-AWC. Actual mileage may vary with driving conditions. Use for comparison only.
