Go Further

Your wildest dreams.

Just got real. Ford Mustang – America's legendary Pony car – hits the pavement running with a full lineup of forward-leaning, hard-charging, free-breathing machines for 2016. Fastback. Convertible. V6. EcoBoost® GT. And the track-ready Shelby GT350®. Get into yours. And get gone.

Shelby GT350. Fastback. Oxford White. Available equipment.

ford.com

VENOMOUS 5.2L BEAST.

Every member of the Mustang family makes a powerful impression. Starting with the most potent of them all – the head-turning, heart-pounding, Shelby GT350®. This race-tuned monster is powered by a 5.2L Ti-VCT V8 with a flat-plane crank, engineered to propel you into the winner's circle. A TREMEC® TR-3160 6-speed manual transmission gives you ultimate control over its 526 hp and 429 lb.-ft. of torque. The Shelby exclusive interior features an aluminum instrument panel and other unique touches including a steering wheel wrapped in both Alcantara® and leather. RECARO® sport seats trimmed in a unique mix of Carbon Weave cloth and Miko® sueded cloth help keep you in your place – turn after turn.

The most track-ready, street-legal Mustang ever produced – the Shelby® GT350R Mustang – features the R Package, which includes extremely durable, yet lightweight, 19" carbon-fiber wheels wrapped in Michelin Pilot® Sport Cup 2 tires backed by the extra stopping power of 2-piece, cross-drilled brake rotors paired with Brembo™ calipers.

Helping you stay glued to the track is no easy task. Rest assured, our engineers scrutinized and refined every aspect of the GT350 exterior in order to achieve its balance of downforce and drag. From its aggressive front splitter to its wide aluminum vented front fenders and unique vented aluminum hood, all the way back to its rear spoiler,¹ fascia and integrated diffuser, every element is designed to work together as a unified team.

A dynamic, adrenaline-fueled ride is yours courtesy of the MagneRide™ Damping System.¹ To adjust the continuously controlled dampers, an electric current is passed through hydraulic fluid that's infused with iron particles, providing ultra-quick responsiveness to changing conditions. Each corner is adjusted independently – 1,000 times per second – for optimum handling performance.

Shelby GT350R. Fastback. Race Red. Available equipment.

ford.com

435-HORSEPOWER¹ HIGH.

That's the feeling. And it's reinforced by the sound of the legendary 5.0L. The wickedly deep-throated rumble that could only be Mustang GT.

Our fastest and best-handling GT yet, this generation packs a potent 435 horses¹ and 400 lb.-ft. of torque¹ courtesy of its thoroughly modern 5.0L V8 engine. It also pulls 0.98 lateral g² thanks in part to the integral-link, fully independent rear suspension. With nearly 10 times better anti-lift properties than the solid-axle setup it replaced, this system provides significantly better pitch control during hard acceleration and braking.

Get an even more aggressive look with the new California Special³ GT Premium. Outside, the heat gets turned up with unique Black front grilles featuring the tri-bar Pony logo, a performance front air splitter, hood and side stripes, a raised decklid spoiler, 19" Ebony Black-painted machined aluminum wheels and more. Under the hood, your strut tower brace gets the "California Special" badge. And inside, you'll enjoy Ebony leather-trimmed seats with Miko[®] sueded cloth inserts, red contrast stitching and more, including a "California Special" badge on the dash – the perfect finishing touch.

GT Premium. Fastback. Race Red. California Special. Available equipment.

320 LB.-FT.¹ OF GET-UP-AND-GONE.

Turbocharged responsiveness – that's the essence of Mustang EcoBoost.[®]

Best-in-class I-4 fuel efficiency² horsepower and torque are yours with the 2.3L EcoBoost engine. Its twin-scroll single turbocharger and direct-injection technology deliver all around. It has an EPA-estimated rating of up to 32 hwy mpg.² Plus, it kicks out 310 hp¹ and 320 lb.-ft. of torque.¹ Harnessed by a 6-speed manual or a SelectShift[®] automatic³ transmission, it's ready to ride.

Performance is enhanced by subtle elements like the wheel aero curtains, which are vertical slots at the outer edges of the front fascia. Standard on every Mustang, they create a high-pressure region that holds airflow closer to the body and minimizes drag.

Pump up the Pony presence on EcoBoost Premium by adding unique front grilles accented by the tri-bar Pony logo, sporty side stripes, unique 19" polished aluminum wheels and more with the new Pony Package.⁴

EcoBoost Premium. Convertible. Magnetic. Dark Saddle leather trim. Pony Package.

¹Tested with 93-octane fuel. ²EPA-estimated rating: 21 city/32 hwy/25 combined mpg, 2.3L EcoBoost automatic fastback. Actual mileage will vary. Class is High-Power Sports Cars based on Ford segmentation. ³Available feature. ⁴Available Fall 2015.

2016 **MUSTANG**
ford.com

FASTBACK. FAST FORWARD.

Whether your Mustang V6 takes the iconic form of the fastback, or your must-have dream machine is a droptop, you can look forward to the passionate performance of its 3.7L Ti-VCT V6 engine.

With 300 hp and 280 lb.-ft. of torque at your disposal, every trip is bound to be a blast. Take your pick of a short-throw manual or a SelectShift[®] automatic¹ transmission. With the auto, Mustang V6 has an EPA-estimated rating of 28 hwy mpg.²

Excellent road feel and precise handling are just a few benefits of the standard fully independent suspension system. It features a double-ball-joint configuration in front, along with high-strength aluminum-alloy knuckles and H-arms in the rear. Utilizing advanced lightweight materials helps to keep unsprung mass down while maximizing grip – so you can have fun putting your Mustang through its paces on the way to places like this.

V6. Fastback. Triple Yellow Tri-coat. Available equipment.

¹Available feature. ²EPA-estimated rating: 19 city/28 hwy/22 combined mpg, 3.7L automatic fastback. Actual mileage will vary.

DROP IN. REV UP.

Lower yourself into the sporty driver's seat. Put your foot down. And let the adrenaline flow. Nothing compares to this rush. It's pure magic. The kind conjured only by Mustang. A love-at-first-sight, want-you-so-bad, feels-so-good kind of car. One drive. And you're hooked.

Its carefully crafted interior welcomes all drivers. The steering column tilts and telescopes. Your footrest and accelerator angles match. The shifter's right where it should be for open access to controls (and cupholders). Plus, the front seats travel farther than in the previous generation. And there's plenty of knee room. All that's missing is you.

GT Premium. Convertible. Magnetic. Dark Saddle leather trim. Available equipment.

TALKS THE TALK.

Voice-activated SYNC^{®1} technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.[®]

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth[®] audio” to stream content from your phone.
- **SYNC AppLink^{™2}** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist^{®3}** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can't.

Upgrade to SYNC 3.^{1,4} Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read color LCD touch screen that displays phone, audio and navigation⁴ functions.
- **High-speed performance** means you'll experience quick responses to your commands. Plus, the capacitive touch screen includes a convenient swipe feature similar to your smartphone (as well as pinch-to-zoom capability within navigation⁴).
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation⁴ helps you locate your favorite restaurants, nearest ATM and more.
- **Siri[®] seamless integration** brings the power of Siri Eyes Free⁵ and your iPhone^{®5} into your vehicle.
- **Automatic updates over Wi-Fi^{®6}** let you keep SYNC 3 up-to-date with the latest software as soon as new updates become available.

| SYNC

GT Premium. Fastback. Ebony leather trim. GT Performance Package.

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ³The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. ⁴Available feature. ⁵You must have a Bluetooth-enabled phone paired to your SYNC system. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

2016 **MUSTANG**
ford.com

ROCKS THE COCKPIT.

Amazing sound is yours with the 12-speaker Shaker™ Pro Audio System¹ featuring HD Radio™ Technology.¹ By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. It can also display the artist, song title, album name and more. All without the need for a subscription.

SiriusXM® Satellite Radio¹ welcomes you to the World of SiriusXM.² Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You'll hear every channel available, plus you can listen online and on the SiriusXM app.²

Navigation¹ with SiriusXM Traffic and Travel Link[®] includes a 5-year complimentary SiriusXM Traffic and Travel Link² trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you'll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

(((SiriusXM)))

2016 **MUSTANG**
ford.com

¹Available feature. ²SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

GT Premium. Fastback. Ebony leather trim. SYNC® 3. Available equipment.

SENSES DANGER. LIKE A SUPERHERO.

High-speed passing. Crowded lots. Tight driveways. Long runs down the highway. Ford Mustang offers advanced driver-assist technologies¹ with sophisticated sensors that can help you out in all these challenging real-world moments and more.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ BLIS helps warn you using lights embedded in the sideview mirrors.² Cross-traffic alert uses the same lights, plus an audio warning and a message center notice.

Get a heads-up from adaptive cruise control and collision warning with brake support.¹ This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to provide full responsiveness when you do brake.

GT Premium. Fastback. Ruby Red Metallic Tinted Clearcoat. Available equipment.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²BLIS replaces standard integrated blind spot mirrors.

2016 **MUSTANG**

AND TRANSFORMS IN A FLASH.

This Mustang convertible is a quick-change artist – dropping its top nearly twice as fast as the previous generation. Engineered as a convertible from the start, it's designed to deliver a smoother ride and better handling than its predecessor as well. Plus, it has a lower liftover height and best-in-class trunk space.

Go topless in seconds by simply releasing the centrally located top latch and pressing a button. The electric drive system operates not only quickly, but quietly too.

Convertible life is easy, thanks to thoughtful touches like the tonneau caps that slide neatly into place, helping give the lowered top a sleek finish.

To perfect its top-down look, the convertible sports exclusive design cues that set it apart from the fastback. Note the higher, straighter muscle line across its rear haunches. And its distinctively contoured trunk lid. The 2016 Mustang convertible – open-air freedom at its best.

GT Premium. Fastback. Triple Yellow Tri-coat. GT Performance Package.

2016 **MUSTANG**
ford.com

RACERS: TAP THIS.

The 2016 Mustang serves up hot technology designed specifically for you. Next time the track starts getting slick, just tap a toggle switch on the dash to adjust its Selectable Drive Modes.¹ And keep going.

Choose from 4 modes: Normal, Sport+, Track, and Snow/Wet. Each one activates predefined powertrain and chassis calibrations suited to that particular driving situation.

Normal mode delivers a balance of comfort and responsive handling for an engaging driving experience.

Sport+ mode provides more responsive steering and throttle response, plus different shift points if your Mustang is equipped with the SelectShift[®] automatic transmission. It's great for more spirited driving on twisty roads.

Track mode, which is for track use only, allows skilled drivers to push the car closer to its limits on the track before AdvanceTrac[®] electronic stability control intervenes. It's perfect for weekend track days and autocrosses because it lets you extract the absolute maximum from the vehicle.

Snow/Wet mode comes in handy when road conditions take a turn for the worse. It provides confident handling by retaining a connected-to-the-road feel without sacrificing any of the inherent composure of your new Mustang.

EcoBoost[®] Premium. Fastback. Race Red. Available equipment.

¹Available feature.

2016 **MUSTANG**

NOTHIN' BUT SMOKE IN YOUR MIRRORS.

When it's track time, leave the competition behind with electronic line-lock.^{1,2} Only on GT and Shelby GT350® models, it's activated using Mustang TrackApps.^{TM2} And its sole purpose is to prep your tires for the big win.

For customized steering feedback, the selectable-effort electric power-assisted steering offers you 3 modes (Standard, Sport and Comfort) in the Steering Feel menu.

An iconic "Christmas tree" offers accurate countdown starts. You can also monitor g-forces, braking times and acceleration times in quarter-mile, 0-60 and more, all within the TrackApps.²

Serious stopping power is built into the GT Performance Package: 6-piston Brembo™ front calipers bite down on 15" vented rotors.³ Then it's go-time again.

GT Premium. Fastback. Shadow Black. Available equipment.

Vehicle shown on closed course with professional driver. Do not attempt. ¹Available feature. ²Track use only. ³Manual transmission only.

2016 **MUSTANG**
ford.com

TRACK STAR.

While developing the GT Performance Package for Mustang GT, engineers used the previous generation's Boss® 302 model as their performance benchmark – this race-ready machine is even faster around the track.

Getting it done starts with the underpinnings. The package gives you a strut-tower brace, a K-brace, heavy-duty front springs, an upsized rear sway bar, a larger radiator, a 3.73 TORSEN® rear axle and more. See the Specs for details.

GT Premium. Fastback. Competition Orange. GT Performance Package. Available equipment.

Follow Ford:

New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is High-Power Sports Cars based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
