

2015
LINCOLN MKZ

Uncover a surprising sense of style.

One look at MKZ, and you'll quickly realize that beauty is more than skin deep. Of course, the split wing grille, refined front end, and full-length LED taillamps add to an already attractive package, but step inside, and you'll realize that sometimes, style is about what isn't there – rather than what is. Like a standard push-button transmission that takes the place of a traditional gear shifter and opens up the interior even more. A flowing center console that complements the cabin rather than constricting it. Luxury uncovered? We think so.

YOUR VEHICLE NEVER CEASES TO AMAZE.

What if your vehicle could warm up and be ready to go before you are? With your smartphone and the MyLincoln Mobile™ app¹ – enabled by an embedded modem² – you can program your MKZ to start remotely at a specific time with your customized climate settings.³ You can even remotely lock and unlock the doors with the touch of a button. Amazing.

¹Mobile App is available through a free download. The embedded modem is included in the Reserve Equipment Group only. Service included for 4 years. Text and data rates apply to usage. ²Available feature. ³Allows you to adjust to 72° or the last temperature set.

Open up to a new experience.

Only MKZ offers a class-exclusive,¹ fully retractable panoramic roof² that gives you such an amazing view. The all-glass roof quickly slides back on uniquely designed tracks to give you a full, clear look out to all the world has to offer. You'll be inspired by what you see.

¹Class is Luxury Midsize Sedans. ²Available feature.

A different stance on power.

Magnetic Metallic. New for 2015.

2015
LINCOLN MKZ
Lincoln.com

Know your options.

Whether you prefer the rewarding power of the standard 240-horsepower¹ 2.0L EcoBoost® I-4 engine, or the thrill of the 300-horsepower V6,² you'll get finely tuned performance with MKZ. The turbocharged I-4 features direct injection for precise fuel delivery and impressive fuel economy.³ V6 models are equipped with Active Grille Shutters that open and close, giving MKZ sleek, streamlined efficiency.

¹Using 93-octane fuel. ²Available feature. ³EPA-estimated rating: 22 city/33 hwy/26 combined mpg, FWD.

See green in a whole new way.

With MKZ Hybrid, you get a state-of-the-art lithium-ion battery that gives you more power, less weight than its predecessor, and up to 85 mph in electric mode. The 2.0L Atkinson-cycle engine has an EPA-estimated rating of 41 city mpg.¹ And SmartGauge® with EcoGuide gives you coaching and guidance through green leaves that grow in your instrument cluster to help you get the most from your drive. Here, efficiency and luxury are in full bloom.

¹EPA-estimated rating: 41 city/39 hwy/40 combined mpg. Actual mileage will vary.

Embrace change.

MKZ doesn't believe in accepting only what's laid out before you. Instead, it gives you the luxury of choice. For example, Lincoln Drive Control with continuously controlled damping lets you select between 3 drive modes – Comfort, Normal or Sport¹ – to match your driving style. And, because road surfaces are always changing, the system continuously monitors the suspension settings 500 times per second, then quickly adjusts to make sure that your car and the road are one. Electronic power-assisted steering gives the right amount of steering assistance for your driving situation. Torque Vectoring Control automatically adjusts the speed between your front wheels for enhanced cornering and agility, so you'll be ready for any changes that come your way.

Driver's retreat.

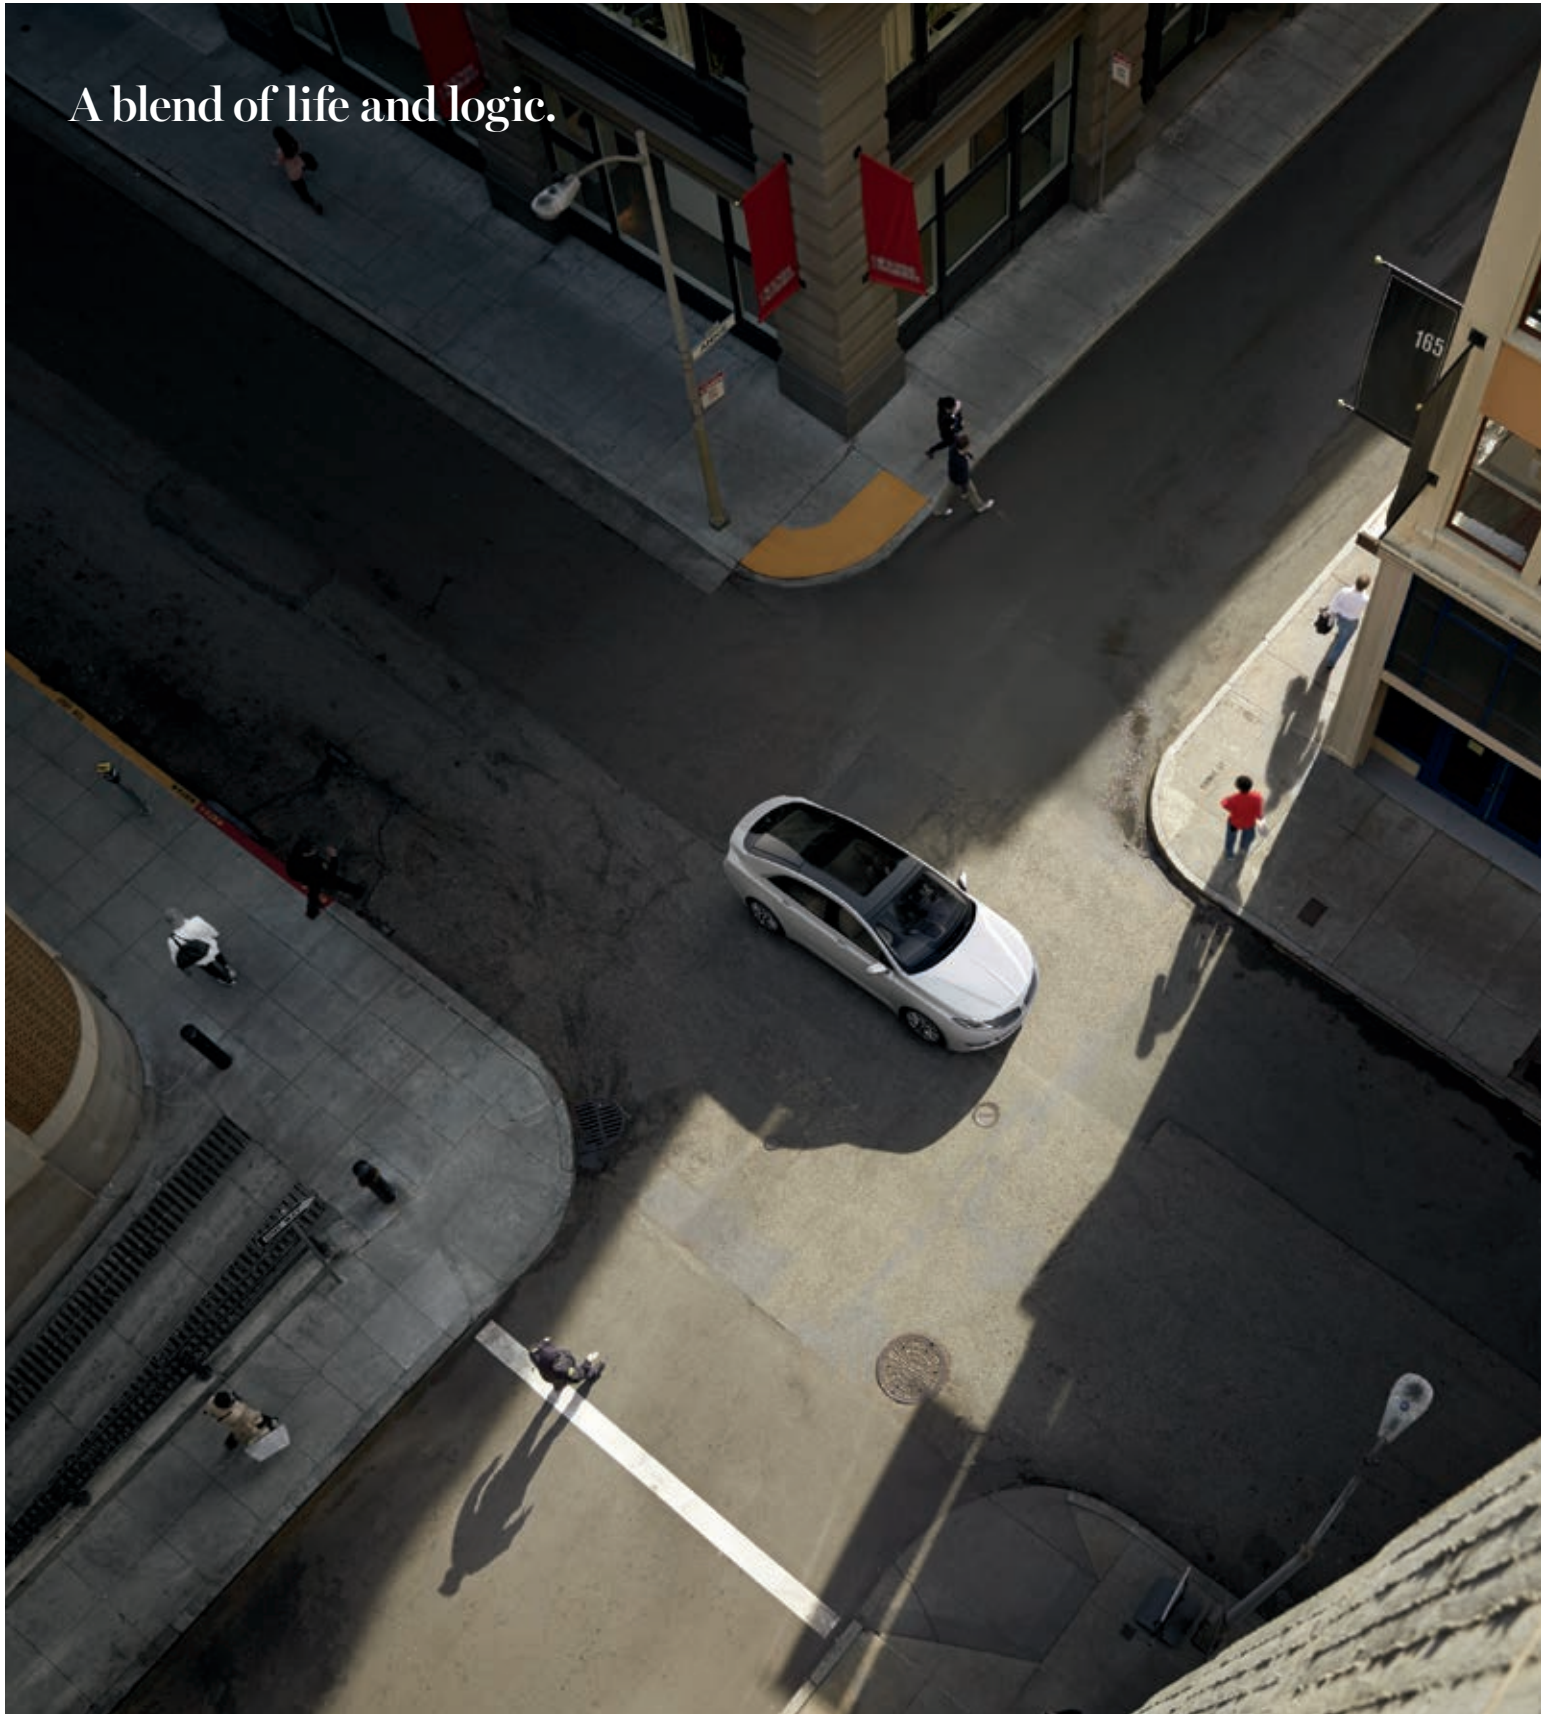

Take it all in.

It only takes a moment to realize how comforting MKZ is. Here, a luxurious, open interior is complemented with a heated,¹ leather-wrapped steering wheel, and heated, leather-trimmed¹ front seats that are crafted and finished with double-stitched seams – as well as contoured and adjustable in 10 ways. And a simple swipe of a finger allows you to adjust volume and temperature. So take a moment, then open the door and experience everything that MKZ has to offer.

¹Available feature.

A blend of life and logic.

Find your space.

With MKZ, it's easy. In fact, active park assist¹ helps take the guesswork out of parallel parking. Ultrasonic sensors measure open spaces, and help find a parking spot as small as 1.2 times the length of your vehicle. Then, the system guides you into it, while you control the brake, shifter and accelerator.

HINDSIGHT IS 20/20. When you are backing out of – or into – a parking spot or garage, the standard Reverse Sensing System uses sensors on the rear bumper and a warning sound to help alert you if something is behind you.

LOOKING AHEAD. The Forward Sensing System¹ on MKZ uses sensors on the front bumper to detect objects that are in front of you, and then sounds an audible tone if something is there. Forward thinking keeps you ahead every time.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's judgment.

Keep in touch.

With the sound of your voice – or a simple touch – Lincoln MKZ connects you to the world around you. Say a command and stay in touch without taking your hands off the wheel with voice-activated, turn-by-turn directions¹ to that off-the-beaten-path restaurant you've been meaning to try. Traffic alerts on major accidents, construction and road closings from SiriusXM[®] Traffic and Travel Link[®] services¹ let you know you'll be on time. And 3D maps¹ from SYNC[®] with MyLincoln Touch^{™2} help guide you there. Touch the signature 8" color LCD screen, and your favorite song from your MP3 player will play through your vehicle speakers – and fades so you don't miss a call or incoming text. With MKZ, when we say "keep in touch," we mean it.

EXPERIENCE EVERY NOTE IN PERFECT HARMONY. The THX[®] II Certified Audio System¹ gives every passenger a front-row seat to the concert. Specialized sound processing technology combined with 14 speakers and 700 watts of power bring the feel of a live show to your everyday commute.

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Stay the course.

BE AWARE OF YOUR SURROUNDINGS. The MKZ has features that are designed to help you see things that might otherwise be out of view. BLIS® (Blind Spot Information System)¹ uses radar sensors to help you detect when a vehicle is in your blind spot, and then alerts you with a light in the corresponding sideview mirror. And cross-traffic alert¹ lets you know when a vehicle is crossing behind you as you slowly back out of a parking spot, and alerts you with a glowing icon in your sideview mirror and an alarm.

KEEP YOUR FOCUS. MKZ can help you stay centered. The Lane-Keeping System^{1,2} can alert you with a steering wheel vibration if it senses you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. And the Driver Alert System displays a coffee cup icon in your gauge cluster if it detects that you need to take a break from driving.

BE PREPARED. Adaptive cruise control and collision warning with brake support¹ adjusts to fit your driving style. Using radar to constantly scan for slower vehicles in front of you, it can automatically change your speed to maintain your preset gap – and can even pre-charge the brakes to help prepare you for a sudden stop.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's judgment. ²Lane-Keeping System does not control steering.

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Dealer to explore your financing options.

LINCOLN EXTENDED SERVICE PLAN

For a purchase or lease, Lincoln Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Whether looking for additional mechanical, prepaid maintenance or tire protection plans, Lincoln ESP has you covered. Ask your dealer for Lincoln ESP, the only service contract backed by Lincoln and honored at all Lincoln dealerships in the U.S. and Canada.

Comparisons based on competitive models (Lincoln MKZ class is Luxury Midsize Sedans; Lincoln MKZ Hybrid class is Luxury Midsize Hybrid Sedans), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Lincoln reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Lincoln Dealer is the best source of the most up-to-date information on Lincoln vehicles.

After trial period expires, SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions are sold separately or as a package and are continuous until you call SiriusXM to cancel. ¹Always wear your safety belt and secure children in the rear seat. ²Lincoln does not recommend using summer tires when temperatures drop to approximately 40°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Lincoln recommends using all-season or winter tires.

This is our promise – The Lincoln Pledge.

It's the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN WARRANTIES²

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE²

We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE²

Help is only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH³

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It's just another shining example of our commitment to you.

COMPLIMENTARY LOANER³

Should your Lincoln require warranty service, you can count on us to be there for you with a complimentary loaner vehicle. It's just one more way to let you know that we'll be here for you.

SERVICE PARTS WARRANTY

We'll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

LINCOLN CLIENT RELATIONSHIP CENTER

When you own a Lincoln, you can take comfort in knowing that we'll be by your side from beginning to end. Our caring agents are empowered to handle your concerns – no matter how big or small they might be.
