

2013 Passat

Das Auto.

TDI SEL Premium shown in Tungsten Silver Metallic

Just what you unexpected.

You've probably never driven a Volkswagen like this Passat. Sure, there have been others before, but never one like our latest expression. Never one designed in Germany specifically for the U.S. market. And then built in a state-of-the-art plant in Chattanooga, Tennessee. Never one with such a premium feel and still within everyone's reach. And certainly never one that was named the 2012 *Motor Trend* Car of the Year.[®] That's when you realize, you should never say never. **That's the Power of German Engineering.**

2013 Passat

Within reach. Grasp the contoured, multi-function steering wheel and your hands intuitively assume a comfortable, natural position controlling the Passat and the entertainment system. Believe us, it's much harder to let go.

Everything in the balance. The balanced proportions of the Passat are part of what gives it an elegant, premium quality. Your eyes follow the strong character line and continue around the whole vehicle. Kind of explains why you can't keep your eyes off of it.

A good blueprint. The available leather seating with Dinamica® inserts has an extremely soft texture and feels good to the touch. And since the inserts are made with recycled materials, you'll feel pretty good about them too.

You feel a draft? Not everyone can always agree on the right temperature. That's why the Passat has an available dual-zone automatic climate control system, so the driver and passenger can adjust things just the way they like it.

Design

Design is all around us. It's in everything we touch. Everywhere we look. You see it in our cars. And when you do, you realize good design doesn't just make a car better. It makes life better. More enjoyable. And in the end, an indispensable part of our lives. Take a look around to get a better picture of what we're doing. All by design, of course.

You should sit down for this.

Your day is filled with a lot of activities. Good thing the Passat is filled with things that make it more comfortable. Whether you're running an errand downtown or just driving to the beach, the Passat is right there with you. Step inside and you'll find available soft leather to soothe you. An available sunroof to let the open sky in. And luxurious touches to make any drive even more tranquil. The only thing you're not comfortable with? Getting out of the Passat.

2.5L SEL Premium shown in Moonrock Gray leather with Dinamica inserts

Interior

V6 SEL Premium shown in Cornsilk Beige leather with Dinamica inserts

Impresses both front and backseat drivers.

Is there anyone happier than a Passat driver? We'd say the passengers come in a close second, third, fourth, and fifth. Starting with the best-in-class rear legroom—that's over three feet for family, friends, and carpool buddies to quietly stretch out back there.* And to make it even more impressive, there's a whole list of available premium features to keep that space inviting, refined, and oh so premium. Maybe you can be all things to all people.

Features

- Best-in-class rear legroom*
- Leather seating surfaces with Dinamica inserts**
- Premium analog clock
- Autumn Nut Burl interior trim**
- Power tilting/sliding sunroof**
- Heated front seats**
- 8-way power front seats with driver's seat memory**

*Most rear legroom in the nonpremium midsize class based on manufacturers' published data.**Feature available on select models.

Cargo

Features

- 15.9 cubic feet of trunk space
- Rear pass-through with console*
- 60/40-split folding rear seats
- Driver's side glovebox
- Backseat armrest with storage*
- A cornucopia of cupholders

*Feature available on select models.

Don't sweat the small, medium, or large stuff.

Let's face it, we all have our share of stuff. And the Passat is the perfect vehicle to handle it without breaking a sweat. Pop open the trunk and take a look. It can fit two sets of golf clubs, picnic gear galore, or even a double side-by-side baby stroller. You'll find the inside of the Passat just as accommodating. There's space in the available backseat armrest where you can store your iPod or notebook. And even a hidden driver's side compartment for your sunglasses or wallet. The Passat is one size that fits practically all.

2.5L SE shown in Black

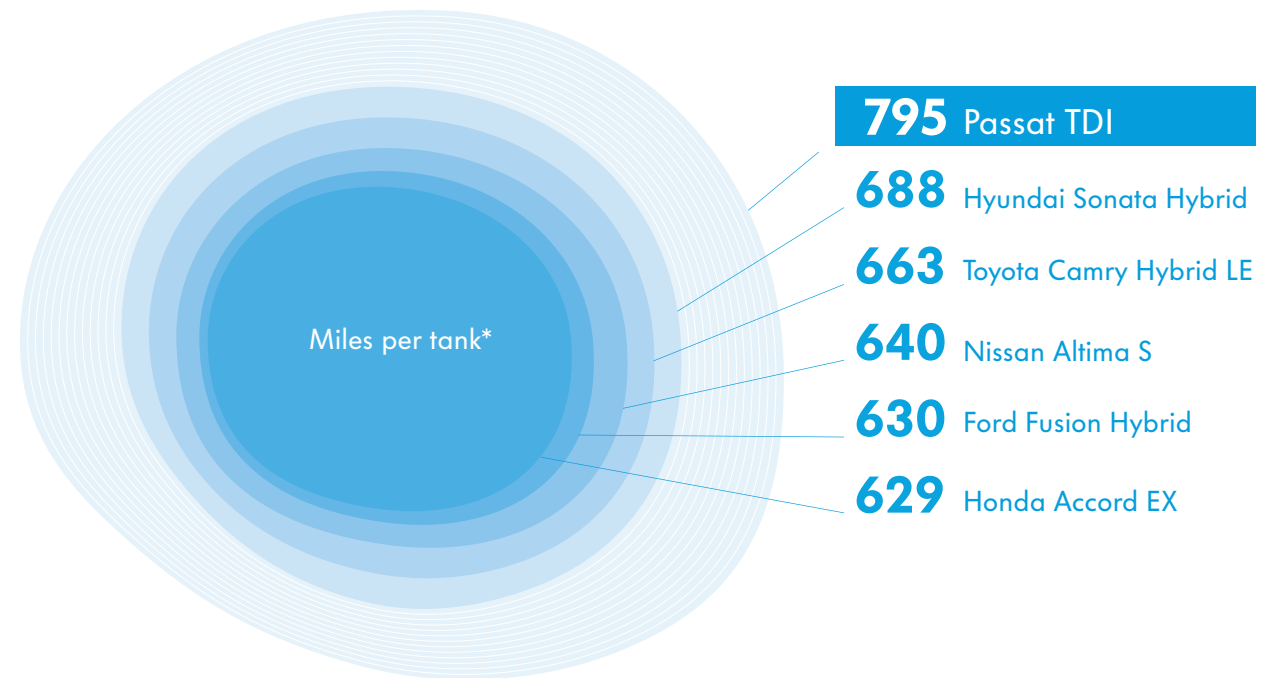

Power to the people.

Power is an amazing thing. Especially when you can share it with everybody. And when you've got three great engines to pick from, there's more than enough to go around. Choose between the perfectly balanced 170-horsepower 2.5L, the 280-horsepower V6 for more oomph, or the 2.0L TDI Clean Diesel for maximum efficiency.* They all have that perfect precision that only comes from German engineering. And that can only mean one thing: You're really going to enjoy driving it.

To make the V6 engine even more exhilarating, and to up the ante on some of the TDI models, we've coupled them with the DSG® transmission with Tiptronic® for imperceptibly fast gear changes and seamless acceleration. We'd actually understand if you didn't want to share those with anybody else.

*2012 Passat 2.0L TDI Clean Diesel, manual transmission: 31 city/43 highway mpg EPA estimates. Your mileage will vary.

Miles ahead.

Don't you just love charts and graphs? We know we do. Our TDI Clean Diesel engine gets 43 highway miles per gallon and up to 795 miles on a single tank*—that's more than any other passenger car on the road. All without sacrificing one bit of turbocharged performance. You could call that better than the other five cars on this chart. We would call that a clean sweep.

*Comparisons based on manufacturers' published data. 2012 Passat 2.0L TDI Clean Diesel, manual transmission: 31 city/43 highway mpg. Range based on 43 highway mpg EPA estimate and an 18.5-gallon tank. Your mileage will vary. 2012 2.4L Hyundai Sonata Hybrid, automatic transmission: 35 city/40 highway mpg. Range based on 40 highway mpg EPA estimate and a 17.2-gallon tank. 2012 2.5L Toyota Camry Hybrid, eCVT transmission: 43 city/39 highway mpg. Range based on 39 highway mpg EPA estimate and a 17-gallon tank. 2012 2.5L Nissan Altima, eCVT transmission: 23 city/32 highway mpg. Range based on 32 highway mpg EPA estimate and a 20-gallon tank. 2012 2.5L Ford Fusion Hybrid, eCVT transmission: 41 city/36 highway mpg. Range based on 36 highway mpg EPA estimate and a 17.5-gallon tank. 2012 2.4L Honda Accord, automatic transmission: 23 city/34 highway mpg. Range based on 34 highway mpg EPA estimate and an 18.5-gallon tank. All fuel values unless otherwise noted are EPA estimates. Your mileage will vary.

TDI Clean Diesel

TDI SE shown in Night Blue Metallic

Sound

There's no doubt that the Passat is the result of sound engineering. In fact, you could say it's all about the sound. The sounds it makes. The sounds it doesn't make. The sound system. And of course, the sound feeling you get when you know you've made a good investment.

Turn it up. We partnered with Fender® to make concert-quality sound available in your Passat and fill the cabin with the raw emotion of a live performance. Get ready to take the show on the road.

Solid example. You know solid construction when you hear it. That "thunk" the door makes when you shut it tells you everything you need to know about the way it's engineered.

Sound investment. Every new Passat comes with a 3-year or 36,000-mile no-charge scheduled maintenance plan. We call it Carefree Maintenance. And one of the best things you've ever heard.

At your convenience. With the available keyless access-equipped fob in your pocket, simply grab the door handle to unlock it. And once inside, simply press the ignition button to start the car.** Don't worry, we'll still let you do the driving.

Please use responsibly. The new VW plant in Chattanooga, Tennessee, was built using sustainable and responsible environmental practices. And it's the only LEED® Platinum-certified auto plant in the world right now. Talk about making a fresh start.

Quiet, please. Diesel engines are incredibly efficient.* And with VW advanced engineering, this also means a quiet ride. We all like the sound of that.

*2012 Passat 2.0L TDI Clean Diesel, manual transmission: 31 city/43 highway mpg EPA estimates. Your mileage will vary. **See back cover for important information on this feature.

V6 SEL Premium shown in Cornsilk Beige leather with Dinamica inserts

Cutting edge has never been so smooth.

Everyone loves the latest technology. But what really makes it great is when it runs seamlessly, effortlessly, and downright fluidly. The Passat lets you make calls with a push of a button.* Get turn-by-turn directions from an available navigation system. Even control the entertainment from your steering wheel. And not just any entertainment either. It's an available Fender™ Premium Audio System that takes what they brought to rock 'n' roll and brings it right to your four doors. Now you know why the word *latest* is always followed by the *greatest*.

Features

- 400-watt Fender Premium Audio System**
- Bluetooth® with audio streaming*
- Media Device Interface (MDI) with iPod® cable**
- Touchscreen sound system**

- Touchscreen navigation**
- Premium navigation with 4-year subscription to SiriusXM Traffic™ and SiriusXM Travel Link™ with 3-month trial subscription**

*Requires compatible device. **Feature available on select models.

Technology

Safety

You know that German engineering you admire under the hood? It's actually throughout the entire car. There are more than a dozen safety features specifically designed to help you prevent a collision. And even more to help protect you in the event of one. So no matter what happens, we'll do our best to help keep you safe.

Electronic Stability Control (ESC). ESC helps prevent oversteer or understeer during an evasive maneuver by applying corrective forces to each of the wheels. In other words, it helps you maintain control when you need it most.

ABS and HBA. The Anti-lock Braking System (ABS) helps to keep the brakes from locking up during sudden stops and helps you retain control over the steering during emergency braking. Hydraulic Brake Assist (HBA) works with ABS to help ensure that you get the maximum braking power from the brake system.

Tire Pressure Monitoring System (TPMS). The TPMS helps monitor tire pressure and alerts you when it is too low. Properly inflated tires greatly increase safety by helping create better stability, handling, and braking in almost all situations.

Surrounded by safety. In addition to airbags,* every Passat has a specially reinforced safety cage complete with anti-intrusion side beams and heat-formed B-pillars, designed to help protect you in the event of a collision. Surrounding that are crumple zones that provide space and material to help cushion and absorb the impact while the safety cage insulates you.

Intelligent Crash Response System (ICRS). After the airbags* have deployed in the event of a collision, the ICRS automatically unlocks all doors, disables the fuel pump, and turns on the hazard lights.** That's why we call it intelligent.

2012 IIHS Top Safety Pick. The Passat is one of the Insurance Institute for Highway Safety's Top Safety Picks.† Actually, it's one of nine 2012 Volkswagen models to get their top rating. That means all nine cars scored the highest rating in all four qualifying tests. That's 36 instances of superior safety.

*Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. **The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. ††Top Safety Pick™ based on 31 mph side-impact crash test, 40 mph frontal-offset crash test, 20 mph rear-impact test, roof strength testing, and the availability of ESC. Test performed by the Insurance Institute for Highway Safety. For details, visit www.iihs.org. See vw.com for more information on safety features.

Years **3** or
1,220,178 new things
to learn

No-charge scheduled Carefree Maintenance.*

Changing your oil, rotating your tires, topping off the windshield wiper fluid — do you remember to do all that stuff? Your car does. Right there in your instrument panel. Both it and your dealer will let you know when it's time to schedule your appointment. And for three years, or 36,000 miles, we've got you covered. That's why we call it carefree. Come by for a courtesy vehicle check within the first 90 days, or 6,000 miles, and ask us any questions you have while we give your Passat a basic checkup. Then, come by every year, or 10,000 miles, for your remaining scheduled maintenance checks. It's that simple.

*The Volkswagen Carefree Maintenance Program covers the vehicle's scheduled maintenance for three years or 36,000 miles, whichever comes first. Coverage during the term of the new vehicle limited warranty at no additional charge. Some limitations apply. See dealer or vehicle maintenance program booklet for details.

2.5L

2.5L S

Includes: 2.5L, 170-hp, 5-cylinder engine; 5-speed manual transmission; 16" steel wheels with wheel covers; manual air-conditioning; multi-function steering wheel; automatic headlights with Automatic Vehicle Illumination feature; cloth seating surfaces; 60/40-split folding rear seats; Bluetooth® with audio streaming;* 6-speaker sound system with MP3- and WMA-compatible in-dash CD player, AM/FM radio, and AUX-in for portable audio players. Also available: S with Appearance Package with 6-speed automatic transmission; 16" alloy wheels; rear armrest with storage; illuminated vanity mirrors.

2.5L SE

Includes 2.5L S with Appearance Package features, plus: 17" alloy wheels; 5-speed manual transmission; heated exterior mirrors and windshield washer nozzles; multi-function trip computer; V-*Tex* leatherette seating surfaces; Premium VIII touchscreen sound system with HD Radio,[‡] 8 speakers, 6-disc CD changer, SD memory card reader, and SiriusXM Satellite Radio with 3-month trial subscription; 8-way power-adjustable driver's seat including power lumbar; rear air vents. Also available: SE with 6-speed automatic transmission.

2.5L SE with Sunroof

Includes all 2.5L SE with 6-speed automatic transmission features, plus: power tilting/sliding sunroof.

2.5L SE with Sunroof and Navigation

Includes all 2.5L SE with Sunroof features, plus: RNS 315 navigation system with 5" color touchscreen in center console; Media Device Interface (MDI) with iPod® cable.

2.5L SEL

Includes all 2.5L SE with Sunroof and Navigation features, plus: 17" alloy wheels with unique design; chrome protective side moldings and bumper accents; Climatronic® dual-zone automatic climate control; RNS 510 navigation system with 6.5" color touchscreen and 30GB hard drive; SiriusXM Traffic™ with 4-year subscription; SiriusXM Travel Link™ with 3-month trial subscription; Fender™ Premium Audio System; Autumn Nut Burl interior trim; comfort sport seats; HomeLink®; interior ambient lighting, front and rear; rearview camera.

2.5L SEL Premium

Includes all 2.5L SEL features, plus: leather seating surfaces with Dinamica® inserts; keyless access with push-button start;** foglights with low-speed corner-illuminating feature; 8-way power-adjustable front seats including power-adjustable lumbar support and memory for driver's seat; heated exterior mirrors with memory; remote start.

2.0L TDI® Clean Diesel

TDI SE

Includes all 2.5L SE features, plus: 2.0L, 140-hp TDI Clean Diesel engine; electromechanical power steering; 6-speed manual transmission.

TDI SE with Sunroof

Includes all TDI SE features, plus: power tilting/sliding sunroof; 6-speed automatic DSG® transmission with Tiptronic® and Sport mode.

TDI SE with Sunroof and Navigation

Includes all TDI SE with Sunroof features, plus: 18" alloy wheels; RNS 315 navigation system with 5" color touchscreen; Media Device Interface (MDI) with iPod cable; halogen foglights with low-speed corner-illuminating feature; chrome protective side moldings and bumper accents.

TDI SEL Premium

Includes all TDI SE with Sunroof and Navigation features, plus: leather seating surfaces with Dinamica inserts; comfort sport seats; 8-way power-adjustable front seats including power-adjustable lumbar support and memory for driver's seat; Climatronic dual-zone automatic climate control; heated exterior mirrors with memory; keyless access with push-button start;** RNS 510 navigation system with 6.5" color touchscreen in center console and 30GB hard drive; SiriusXM Traffic with 4-year subscription; SiriusXM Travel Link with 3-month trial subscription; Fender Premium Audio System; Autumn Nut Burl interior trim; comfort sport seats; HomeLink; remote start; interior ambient lighting, front and rear; rearview camera.

3.6L V6

V6 SE

Includes all 2.5L SE features, plus: 3.6L, 280-hp V6 engine; 18" alloy wheels; 6-speed automatic DSG transmission with Tiptronic and Sport mode; power tilting/sliding sunroof; chrome dual exhaust tips; leather multi-function steering wheel with paddle shifters for DSG; electromechanical power steering; Fender Premium Audio System; comfort sport seats; halogen foglights with low-speed corner-illuminating feature.

V6 SE with Navigation

Includes all V6 SE features, plus: RNS 315 navigation system with 5" color touchscreen; Media Device Interface (MDI) with iPod cable.

V6 SEL Premium

Includes all V6 SE with Navigation features, plus: leather seating surfaces with Dinamica inserts; keyless access with push-button start;** Climatronic dual-zone automatic climate control; RNS 510 navigation system with 6.5" color touchscreen in center console and 30GB hard drive; SiriusXM Traffic with 4-year subscription; SiriusXM Travel Link with 3-month trial subscription; 8-way power-adjustable front seats including power-adjustable lumbar support and memory for driver's seat; Autumn Nut Burl interior trim; HomeLink; remote start; interior ambient lighting, front and rear; rearview camera.

The details as to how the system works can vary and Volkswagen owners should consult their owner's literature or an authorized Volkswagen dealer if they have further questions about the operation of this feature. Please note that Volkswagen warns against leaving the vehicle unattended with the engine running, particularly in enclosed spaces. Subscriptions to all SiriusXM services are sold separately after 3-month trial expires. SiriusXM Traffic service available in select markets. **If you decide to continue your SiriusXM service at the end of your subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** Sirius U.S. satellite service available only to those at least 18 years of age in the 48 contiguous U.S.A., D.C., and P.R. (with coverage limitations). Sirius, XM, and all related marks and logos are trademarks of Sirius XM Radio Inc. Volkswagen DVD Navigation depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW, or just look us up at vw.com.
